Blue Crab Bowl Awards Policy

- ❖ Coaches must be present at the Bowl and Awards Ceremony to be eligible for awards.

- ❖ Because professional development memberships or awards are intended to provide teachers with “professional growth” experiences in their careers, they are non-transferrable. PD opportunities may only be claimed and used by the team’s official coach, as specified on the registration forms. Should the coach of record be unable or ineligible to use any award, the Blue Crab Bowl Coordinators and relevant awards sponsors will determine the appropriate distribution of the award.

- ❖ Any exceptions to award policies must be approved in advance by the Blue Crab Bowl coordinators and relevant awards sponsors.
